

PIZZA
MONTRÉAL

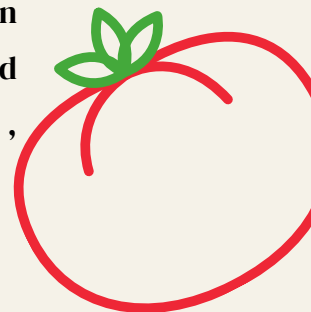

Our Pizza Dough

The crust is crispy golden-brown and delicately airy, achieving a lightness that feels almost like biting into a cloud. The dough has been fermented, creating a soft and pillowy interior that contrasts with the crispy outer layer. Each bite reveals a subtle chewiness that speaks to the dough's hydration and the skillful hand of the pizzaiolo.

Our Pizza Sauce

Spread across our exquisite crust is a layer of rich, homemade tomato sauce, bursting with flavours and freshness. The locally sourced sun-kissed tomatoes are ripe and charred to perfection in our woodfired oven which are then blended with fresh basil and other aromatic herbs to produce a vibrant, tangy, and a perfectly seasoned pizza sauce.
